

## ANNOUNCEMENT OF ACQUISITION

January 23, 2017

Stille AB  
Ekbacken 11, 644 30 Torshälla, SE

Dear Valued Customers and Partners,

Stille AB is pleased to announce the purchase of the Medstone table series finalized on January 20, 2017.

Both of these respected companies currently share a common customer base while having mutual business partners and recognize the advantages of merging our product lines that include vascular, pain and urology tables. This partnering will allow us to enhance these important relationships by providing a full portfolio of high quality imaging tables and premium service while we continue our mission of creating innovative product technology now provided through one dedicated partner.

During the merging of our two companies we are taking necessary steps to ensure a smooth transition for our customers and sales partners- our most important asset. Businesses will continue as usual until further notice. Please refer to our Q&A or call any of our representatives for additional information. Click [here](#) to read the full Press Release.

The Medstone series of imaging tables have become the benchmark in the industry and are renowned for their reliability since their original introduction in 1999. All the tables have been designed and engineered using only the highest quality components.

Stille has been providing surgical innovations for over 175 years with superior product quality and leading edge technology. We are dedicated to providing customer solutions and will continue to enhance and expand our surgical and imaging products with the passion and dedication our customers have come to expect.

*Sincerely,*  
*David Jern*  
CEO
